EXPERIENCE

WEB DEVELOPER / SILVAN INNOVATION LABS PVT LTD
Jan 2017 – Nov 2018

—

Being the key person of the project, I was responsible for maintaining the website of the company. The goal was to merge the different websites and enrich the existing website with new features and AngularJS.

- Fixed existing code and performance issues by enhancing code base using AngularJS.
- Communicated with the sales team and understood the requirements of new features and enhancement.
- Collaborated with external partners to understand the existing designs.
- Implemented AngularJS, JavaScript, AJAX and Google Analytics as per requirement.

LECTURER / DARSHAN INSTITUTE OF ENGINEERING AND TECHNOLOGY
Jan 2014 – Jan 2016

—

- Conducted lectures and prepared material for Diploma students.
- Prepared and delivered lectures to undergraduate and graduate students on topics such as programming, data structures, and software design.
- Provided a guidance to the students for developing their career as well as making them familiar with different career opportunities.
- Participated in student recruitment, registration, and placement activities.
- Collaborated with colleagues to address teaching issues.
- Guided the students for completing their project works.

LEADERSHIP AND ACHIEVEMENTS

- Coordinate in inter-college technical and non-technical events.
- Judge in Inter-college quiz competition.
- Observer and viva examiner in University examination.
- Got 1st rank in Poster Presentation in national level Technical event.
- Completed training of Scatting, Karate and Drawing.
